According to the church bylaws, Article VI, section 2(d): "Other candidates for office may be added by a petition signed by two (2) or more active members of the church and filed with the nominating committee at least two days prior to the election."

Therefore please file any such petitions with Larry Cool (549-3972; [larry.cool@sbcglobal.net](mailto:larry.cool@sbcglobal.net)), chair of the Nominating Committee, by Friday, January 23, 2004. The Committee also recommends that members who wish to add a candidate discuss their intention with the Committee before formally asking the nominee, since we may have already considered them.
